### **Service Delivery – Programme**

**The activities were implemented on the basis of the five comprehensive programs<sup>i</sup> following the strategic plan of PVCHR/JMN for three years (2015- 2018):**

- ***Psycho- social support through testimonial therapy to 127 survivors of torture and follow-up of the survivors*** on the basis of the WHO I 5 and participation scale. In exposing the complex interconnections between marginalization, narration, and reconciliation, the work of PVCHR sheds light not only on systems of elite oppression of marginal communities but also on the power of story to create social change. By building “memory justice” and what we may call identity justice through challenging existing narratives and discursive relationships, narrative therapy can be a revolutionary means to societal change for the marginalized. Hearing the stories of “others” can have the social effect of not only empathy but a desire to increased action. Stories themselves act and focusing on their agency as a resource can have transformative social outcomes. Humans talk in stories and stories talk for collectives. If we listen, change, however slowly, will come to those working to overcome oppression and develop reconciliation.

- 15 survivors of torture received Ayurveda treatment Panchkarma for pain management ·
- Legal Support: 31 cases in districts and high courts.
- 587 Meta – Legal with the allied system through using email as a cost effective tools for the intervention. In 38 cases Hon'ble Commission ordered for the compensation of 8,096,150 INR (127029 \$) <http://pvchr.blogspot.in/2018/01/809615000-inr-compensation-disbursed-in.html>.

<b><u>Breaking sackle of trafficking</u></b>
--

Life took a serious turn for 15-year-old Radha (name changed), when her relatives sold her to a brick kiln owner in Kerakat town in Jaunpur district of Uttar Pradesh in January 2012. Radha was sexually abused by the brick kiln owner Bajju Yadav for more than two months. Radha is a resident of Chakradharpur in Singhbhum district, Jharkhand.

In her testimony, she said, "I was with my family when a woman called Shanti visited us and told me to come with her. She was from the same village so I trusted her. She said she was going to take me to a fair. But this woman had tricked me and forced me to go to the brick kiln factory. There I had to work for the owner, doing his cooking and cleaning, and also massage him. Two days after I arrived he forced himself on me. He used to give me a tablet, then he would force himself on me. My room was

next to where the owner worked and every time he wanted me, he would come to my room.

He would come two or three times a day. I told that woman Shanti that I didn't like it, and she said that if I told anyone, the owner would kill me. One day I opposed it, and the owner beat me up brutally. I was so scared. The brick kiln owner was in his sixties, had no teeth, used to drink a lot, and force me to drink alcohol as well. When I refused, he used to hit me. I'm still in pain from the rapes."

When Radha reported her ordeal to Shanti Devi, she rebuked Radha and warned against reporting the incident to anyone else. Shanti Devi has been working at Bajju Yadav's brick kiln for the past seven years and also had illicit relations with him. Unable to bear the trauma, on March 20, 2017, Radha somehow managed to flee from Bajju's brick kiln and reached her relative Palu Devi's house living in the same village.

After that, a chain reaction started and resulted in the accidental death of Battan Mushahar. The case reached to the People Vigilance Committee on Human Rights (PVCHR), which helped Radha and Paulo Devi family to flee from a hiding place. To ensure the safety of the girl and those of her relatives, they had short shelter in PVCHR office. PVCHR took up the case of Radha to the National Human Rights Commission, the National Commission for Protection of Child Rights, the National Commission for Women, New Delhi, the National Schedule Caste Commission, the Chief Minister of Uttar Pradesh and Jharkhand. They also approached the SHO- Kerakat, District Magistrate Jaunpur, the superintendent of police - Jaunpur and filed Right to Information applications asking for further details about the case.

Radha, in her interview to human rights watch for the report "Breaking the silence Child Sexual abuse in India" says that an improperly conducted medical examination in Varanasi after she was repeatedly raped in February and March 2012 is impeding her legal case. They took her to the police and to a hospital, where a doctor carried out a medico-legal "two-finger test."

Radha, with the support of PVCHR, is challenged the doctor's findings. In September 2012, the police in her home district in Jharkhand agreed that Radha's testimony could form the basis of a charge against her alleged assailant. After intervention FIR was lodged against Shanti Jamuda (ii) Baiju Yadav in crime no. 135/2012 u/s

372/ 374/376/34 IPC and 3(3)(6) SC/ST Act against Shanti Jamuda and Baiju Yadav.

The case after an investigation had been submitted to the court for trial. A case u/s 304A IPC was registered at crime no. 136/2012 at PS Kairakat on March 21, 2013, against Bejnath, Rajmath, Gulab and Dinesh. A charge sheet was submitted on May 9, 2012, and the matter is sub judice in court

The Inspector general police – Varanasi had submitted a report to the NHRC on February 20, 2017. The DIG Zone got the enquiry conducted by SP Jaunpur, and an additional SP Rural report had been submitted.

According to the report, there are allegations that Ms Radha Jamuda d/o Saluda was kept bonded Baiju Yadav and sexually exploited. However, these claims were overlooked by SI Sabhajeet Singh, HC Satya Dev Srivastava and Gurdip Singh Sarna, the then Inspector Kherakat. Radha was not examined, they tried to conceal the offence and committed a breach of duty.

The enquiry officer found HC Satya Dev Srivastava, SI Sabhajeet Singh and Inspector Gurdip Singh Sarna guilty of dereliction of duty and for not registering the case under the relevant provision of law and case under 166A IPC had been registered against the police officers.

There are facts in the report dated February 20, 2017, submitted by IGP Varanasi report dated that a complaint was lodged by Surender s/o Sehli r/o Triyani, PS Kairakat, District Jaunpur, regarding the death of his son Bunti in an accident on March 21, 2017, and case no. 136.2012 u/s 304A IPC was registered against the Bejnath, Rajmath, Gulab and Dinesh in which charge sheet was submitted.

On the report of Additional SP Jaunpur, the same is under reinvestigation u/s 173(8) Cr.P.C. Commission has considered the report of IGP Varanasi. The complainant allegation is in respect of sexual exploitation of Km. Radha d/o Saluka Jamuda r/o West Singhbhum District, Jharkhand by Baiju Yadav. How the case instituted on the report of Surender against Bejnath and others is connected with the complaint in question, needs clarification. The commission directed IGP Varanasi Zone to submit a typed, legible and a duly authenticated copy of FIR of crime no. 136/2012 u/s 304A IPC instituted at PS Kairakot, Jaunpur, along with the charge sheet filed in that

case urgently through a special messenger in a sealed cover within two weeks.

The Hon'ble Member in the Case No. 8542/24/39/2012 has directed on November 3, 2017, as under Case No.429/17 under section 166A IPC has been registered against Gurdeep Singh Sarna, the then SHO Kerakat, Jaunpur, SI Sabhajeet Singh and Chief Constable Satyadev Srivastava which is under investigation and directions have been issued to conclude the same on merits expeditiously.

It is stated that in case of the victim of rape Radha case crime No.135/12 u/s 372/374/376/34 IPC r/w Section 3(3)(6) SC/ST Act has been filed against Shanti Jamuda w/o late Godo Jamuda and Baiju Yadav s/o Sahdev Yadav. After the investigation, a charge-sheet has been filed in the court.

Vide report dated September 12, 2017, it has been stated that 25% of ₹ 1,00,000/- (compensation under SC/ST(PoA) Act) has been paid to the victim vide cheque No.581748 dated August 16, 2017. The commission has taken a very serious view of the matter. Despite the directions by the commission to pay a compensation of ₹1,00,000/- vide its proceedings dated December 26, 2016 no proof of payment has been received till date.

Let a reminder be issued to the Chief Secretary, Government of UP to pay a sum of Rs. 1,00,000/- on account of compensation to the victim Radha and submit the proof of payment within four weeks. The Chief Secretary, UP be also asked to submit as to:

**i)** Why the compensation as provided under rule 11 and 12 of the SC/ST (POA) Act amounting to Rs 1,80,000/- (50% of the amount to be paid at the time of medical examination) has not been paid. **ii)** Why compensation under rule 21 of the SC/ST (POA) Act (full cost of education and maintenance of the child, provision of utensils, rice, etc. for three months) has not been paid to the victim. **iii)** The progress of enquiry dated November 15, 2013, against the erring official, pending before the administration and status of the investigation of Case Crime No.429/17 within four weeks.

The Commission perused the record and observed that in Case No. 8542/24/39/2012 monetary compensation has already been recommended by the Commission. Therefore, there is no justification for continuing with this case i.e. Case No. 1405/34/18/2013-WC. Therefore, the case No. 1405/34/18/2013-WC is closed.<sup>v</sup>
